- 'Horizontal slats' on the side make it difficult to *UPDATE* Since Amazon refunded me for the one that smoked, and betting on the fact that the 1st one I ordered had a manufacturing defect, I got another one.. I like the fact that this comes with a 12' cable instead of the 2' pigtail obligating you to buy an extension.. 1 Pro, it was plug-and-play My only (mild) complaint: the green indicator LED is a bit intense for my preference.

smart card reader military id

UPDATE x3: The maker was very kind and offered a replacement The cord does not come loose from the USB port, so I am raising the star rating.. I will let you know how it turns out UPDATE: Got an email back from tech support, and they say '5 DIFFERENT cards work in it.. Saicoo - Smart companion for your life Desktop smart card reader is an easy-to-install USB device suited for all contact smart card operations like online-banking or digital signature applications.. With my system, a [[ASIN:B00KHR4T8U Microsoft Surface Pro 3 (128 GB, Intel Core i5)]] with Windows 8.

smart card reader military

This one works just fine--it works perfectly copying large RAW files directly from an SD card I have onto my computer for post-processing.. My gripe about the green indicator LED? I don't even notice it any more. My keyboard had a smart card reader When combined with a KVM switch to run multiple monitors the keyboard smart card reader would not work properly.. This add-on card reader was hooked to the PC that required smart card access The Zoweetek CAC Smart Card Reader is a horizontally standing product capable of reading DOD CAC cards.. I have noticed they have also specifically noted that 5 'different' cards can work--I am slightly disappointed that the same card type cannot work at the same time, but I am delighted their customer service was so on-point.. It's rugged, continues to travel well, and keeps working flawlessly It's outlasted my computers, actually.. Best CAC Card Readers For Mac – Desk Use Rocketek DOD Military CAC Common Access Card Reader Writer RT-SCR4. e10c415e6f
